I'm content just watching
Life goes by, it's not stopping
I'm just along for the ride
Time by my side and
I could change the scene
And get caught up in between
But right now I'll take the view
And try to find what's true and...

I feel at home
Where unsorted thoughts roam
I'm outside the glass
Finally free, I can see
The world pass

Time dances away
The rhythm of a summer day
And I might get caught
In a tangled thought
The beat of a dotted line and
The scent of a sea of pine
It all holds my gaze

As my mind runs through a maze and...

I feel at home
When I am on my own
I'm outside the glass
Finally free, I can see
What will last

City lights streak by
Finding truth in lies
Glimpses of life flash by
I'm finding certainty inside

I feel at home
With emotions thrown
Outside the glass
Finally free, I can see
Greener grass.
