Get through my day, I always find a way and  
I'll admit I'm on auto-pilot  
Half-concentrate while I'm in this hazy state  
'Til I wake... take a break

Sitting in the setting sun  
Until the light kisses the horizon  
Sing until I'm out of songs and  
Laugh until nothing's wrong  
Sitting here along the beach  
Yesterday is out of reach  
I'll play guitar into the night  
Now everything feels alright

Now I can think cause I was right on the brink  
Of going insane, I was feeling the strain  
Gotta find time for me before I start to be  
One of the drones... purpose unknown

I can't take this  
Three-ring circus  
All work, no play like  
Cirque du Soleil...

Sitting in the setting sun

Until the light kisses the horizon  
Sing until I'm out of songs and  
Laugh until nothing's wrong  
Sitting here along the beach  
Yesterday is out of reach  
I'll play guitar into the night  
Now everything feels alright

When I'm on my time  
I can take back what's mine  
Color outside the lines  
Only when I'm...

Sitting in the setting sun  
Until the light kisses the horizon  
Sing until I'm out of songs and

Laugh until nothing's wrong  
Sitting here along the beach  
Yesterday is out of reach  
I'll play guitar into the night  
Now everything feels alright
