This song started out about
How you got me through my day-ay-ay
But those unfinished thoughts
Lost their meaning halfway

And it was when I couldn't finish the rhymes
That I started to see the light-ight-ight
And I figured it was time
To stop sayin' I was alright

Don't look now cause I'm losin' hope and
Don't look now I'm broken

Today I couldn't say goodbye
Oh, today you mighta got the best of me
Oh, today I could look you in the face and lie
Oh, today, ooh... don't ask about me

I can't believe I used to stay awake
Just to see your face
I even wrote a song about the weight
And kept it just in case

And I think the only thing that stayed the same
Was the title
Now I'm writing a song about writing a song but
I guess that's what you get on the downward spiral

Don't look now cause I'm losin' hope and
Don't look now I'm broken

Today I couldn't say goodbye
Oh, today you mighta got the best of me
Oh, today I could look you in the face and lie
Oh, today, ooh... don't ask about me

Don't look now
Don't look now
Don't ask now
Don't ask now

Today I couldn't say goodbye

And, today you mighta got the best of me
Oh, today I could look you in the face and lie
Oh, today, ooh...

Today I couldn't say goodbye
Oh, today you mighta got the best of me
Oh, today I could look you in the face and lie
Oh, today, ooh... don't ask about me
