I've been away too long  
our conversations have been few  
but while I've been away  
each and every day  
my heart was beating next to you-oo, oh yeah

now I'm here at last  
oh... and I mean to stay  
look into my eyes  
then you'll realize  
there is only one thing left to say-ay

whoa... tell me  
tell me you love me  
here right now  
tell me you care  
tell me tell me tell me baby  
tell me you love me  
come on come on  
tell me you care  
ooo...  
tell me you love me  
I really love ya  
tell me you care  
you know I need ya  
tell me you love me  
come on baby now  
tell me you care

I'm not askin for much, yeah  
three little words you know, oh  
if you want some sweet feeling  
I'm ready and I'm willing  
to take you where you want to go-o, oh

tell me  
tell me you love me  
come on come on baby  
tell me you care  
let me hear you let me hear you now  
tell me you love me  
ooo yeah yeah oh

tell me you care  
those sweet sweet words  
tell me you love me  
come on baby  
tell me you care  
where its coming those sweetness  
tell me you love me  
tell me tell me baby  
tell me you care  
let me hear it let me hear it let me hear it let me hear
