Real chicks do real thangs.
Your girl Turi at full force, yeah, real chicks do real
thangs
Real chicks do real thangs, real chicks do real thangs
Real chicks do real thangs, real chicks do real thangs

I'ma take you where you ain't never been.
Show you a side of me you ain't never seen. I'm that
good stuff and
when you take a puff of me,
you won't be able to see. I stay motivated keep
watching
all the haters. Stomp em out
then I throw my tense away.
I be about my business, it's time to get wit,
cause when I do it, I do it real big.

Real chicks do real thangs, that's why I'm still here
I stay on my grind, get it get it get it my time
No, you don't want none. Make way cause here I come
On the road to riches and diamond rings
Real chicks do real thangs.

I know it's been a minute, but now I'm back up in it
Like said Aaliyah dust it off and try again
See you're a sleeper, but I'ma keep ya intrigued,
you ain't gone never wanna leave
Right now I'm getting up, I waited long enough,
I'm so hot, you turn your girl Naturi up.
I always stand correct, so give me the respect,
cause when I do it, I do it real big.

Real chicks do real thangs, that's why I'm still here
I stay on my grind, get it get it get it my time
No, you don't want none. Make way cause here I come
On the road to riches and diamond rings
Real chicks do real thangs.

To all my real chicks, your girl Turi and Queen B, Let's
roll

RAP also with parts of Naturi

It's about time Queen B bring the hood to Hollywood,
the money maker, ya'll playing wit this paper
Keep running to the bank I'm laying wit this paper, in
the glass house

Real chicks do real thangs, that's why I'm still here
I stay on my grind, get it get it get it my time
No, you don't want none. Make way cause here I come
On the road to riches and diamond rings
Real chicks do real thangs.
