We're singing' deck the halls  
It's not Christmas at all  
Remember when you were here  
And everything we had last year

All the church bells in town  
They're ringing a song  
What a happy sound  
Baby please come home

Now the snows coming down  
And I'm watching it fall  
Watching the people around  
Baby, please come home

Pretty lights on a tree  
I've been watching them shine  
You should be here with me  
Baby, please come home

All the church bells in town  
They're ringing a song  
And its a happier song  
Please, please come on

If there was a way  
I could hold back these tears  
But its Christmas day  
Please come home

Home,  
Come home,  
Come home,  
Come home  
Oh, Yeah Yeah Yeah Yeah

Now the snows coming down  
And I'm watching it fall  
Watching the people around  
Baby, please come home

Pretty lights on a tree

I've been watching them shine  
You should be here with me  
Baby, baby come home

Come home
