Verse Number One

On a starlit night...outside Bethlehem...
The angels...gathered on high...
While Shepherds watched...a star fell on...
The City Of David...where a baby was born...

Verse Number Two

Wise men came...bringing gifts from afar...
Seeking to know...has Messiah been born?
There in a manger...no room in the inn...
A King is born in Bethlehem...

The Chorus:

The Christ child of earth...
Became the King of Glory...
A sweet baby's birth...
Tells us the Christmas story...
Praise to him...the angels sing...
A baby Christ child...is born the King...

Let the Christmas bells ring....join in with me...
Sing the sweetest story.....
How a baby in love...sent from Heaven above...
Became the King of Glory...

Repeat Chorus:

The Christ child of earth...
Became the King of Glory...
A sweet baby's birth...
Tells us the Christmas story...
Praise to him...the angels sing...
A baby Christ child...is born the King...
