Verse One:

Welcome everybody,
We're so glad you're here
The sun is shining bright
The sky is blue and clear
Put your hands together
And just join right in this song
We can help each other sing along

CHORUS:

We're gonna have a good time
Gonna spread a lot of love around
We're gonna have a good time
Make a happy joyful sound
O it's a good life, we got good news
It's good for me, it's good for you
Oh a good time, gonna spread a lot of love around

Verse Two:

Smile with me brother
with the biggest smile you can
Let's hug one another,
Come on shake my hand
We can touch each other, with a song or two

We just came to play these songs for you

CHORUS:

We're gonna have a good time
Gonna spread a lot of love around
We're gonna have a good time
Make a happy joyful sound
Oh it's a good life, we got good news
It's good for me, it's good for you
Oh a good time, gonna spread a lot of love around
