Verse Number One:

To know you is to love you....
Good love you just can't hide...
When you love someone....it's natural...
To share what's deep inside....

THE CHORUS:

O it's easy loving you....it's not hard to do...
When I think of all our happiness....
Well, here's to me and you....
O it's easy loving you...since you made my life brand
new...
Loving you 's so easy...cause it's easy loving you....

Modulation

Verse Number Two:
Being here beside you...

Makes me realize...
Easy loving 's easy...
I can see it in your eyes....

THE CHORUS:

O it's easy loving you....it's not hard to do...
When I think of all our happiness....
Well, here's to me and you....
O it's easy loving you...since you made my life brand
new...
Loving you 's so easy...cause it's easy loving you....
