Verse Number One:

Out there....alone I see....a perfect lady....  
Standing for freedom's liberty....  
O the stories you could tell...O the men you loved so  
well....  
With outstretched arms they all believe.....  
In Lady Liberty....

THE CHORUS:

Lady Liberty....  
Those pretty eyes are still on me...  
Lady Liberty....loves so free....  
Lady Liberty...  
O the beauty that I see....  
In a world that's free....as...  
Lady Liberty.....

MODULATION

Verse Number Two:

Take me back...just one more time...  
To all the memories that are mine....  
Of loving you...and feeling free inside...  
There are men who'd die to hold you...  
Give their life to just behold you...  
Just to have a chance to see....

Lady Liberty...

THE CHORUS:

Lady Liberty....  
Those pretty eyes are still on me...  
Lady Liberty....loves so free....  
Lady Liberty...  
O the beauty that I see....  
In a world that's free....as...  
Lady Liberty.....

REPEAT THE CHORUS: FADE

Lady Liberty....  
Those pretty eyes are still on me...  
Lady Liberty....loves so free....

Lady Liberty...  
O the beauty that I see....  
In a world that's free....as...  
Lady Liberty.....
