Verse Number One:

Life is like a mountain railway....with an engineer that's
brave....

We must make the run successful...from the cradle to
the grave....

Watch the curves...the fills, the tunnels...never falter,
never quail...

Keep your hand upon the throttle...and your eye upon
the rail....

The Chorus:

Blessed Savior...thou wilt guide us....

Till we reach...that blissful shore....

Where the angels wait to join us...

In thy praise for ever more....

Verse Number Two:

You will often find obstructions...look for storms of wind
and rain...

On a fill, or curve, or trestle...they will almost ditch your
train...

Put your trust alone in Jesus...never falter, never fail...

Keep your hand upon the throttle...and your eye upon
the rail....

Turn-A-Round/Modulation

Verse Number Three:

As you roll across the trestle....spanning Jordan's
swelling tide...

You behold the Union Depot...into which your train will
glide...

There you'll meet the Superintendents...God the Father,
God the Son...

With a hearty, joyous plaudit....."Weary pilgrim,
welcome home!"

The Chorus:

Blessed Savior...thou wilt guide us....

Till we reach...that blissful shore....
Where the angels wait to join us...
In thy praise for ever more....

Final Repeat Chorus
Fades with train whistle

Blessed Savior...thou wilt guide us....
Till we reach...that blissful shore....
Where the angels wait to join us...
In thy praise for ever more....
