[Cho] On a day like today...
We passed the time away...
Writing love letters in the sand...

How you laughed... when I cried...
Each time I saw the tide...
Take our love letters from the sand...

You made a vow... that you would always be true...
But somehow that vow meant nothing to you...

Now my poor heart just aches...
With every wave that breaks...
Over love letters in the sand...

[1] The sunbeams kissed the sand... your face was in
my hands...
The day I met you dear...
And though I find you gone... your memory lingers on...
I can't forget you here...

[Cho] On a day like today...
We passed the time away...
Writing love letters in the sand...

How you laughed... when I cried...
Each time I saw the tide...
Take our love letters from the sand...

You made a vow... that you would always be true...
But somehow that vow meant nothing to you...

Now my poor heart just aches...
With every wave that breaks...
Over love letters in the sand...

Turn-A-Round

[2] While a precious tear drop falls... your memory I
recall...
And days when you took heed...

The skies were blue above... it's the ones that dawn of
love...
But you've forgotten me...

[Cho] On a day like today...
We passed the time away...
Writing love letters in the sand...

How you laughed... when I cried...
Each time I saw the tide...
Take our love letters from the sand...

You made a vow... that you always ever be true...
But somehow that vow meant nothing to you...

Now my poor heart just aches...
With every wave that breaks...
Over love letters in the sand...
