[1] God morning foreman...
Good morning boss...
Do you need another mule skinner
With a blacksnake whip to toss...

Yodel lay hee, hee hee a hee hee hee

[2] Lord... I've been working hard...
And... I feel so bad...
I've got a good woman...
And I want to keep her glad...

Yodel lay hee, hee hee a hee hee hee

[3] I'm an old mule skinner...
From down Kentucky way...
I can make any mule listen...
Or I won't accept your pay...
