Verse Number One:

There are prayers .... we pray in the valley...  
There are prayers we pray with salty tears...  
There are prayers that we pray on God's prayer  
mountain  
Where he said, "I'll wipe away your every tear!"

Chorus:

Lord, lift me up, humble I will pray on prayer  
mountain...  
Let healing in Jesus Name, flow through all of me...  
Bathe me in those cleansing Holy waters...  
On top of Prayer Mountain I sing victory & praise...  
Triumphant over every fear

Music Channel/Turn-A-Round

My beloved Jesus went up that rugged mountain

There he prayed the night till break of day  
Exhausted with weeping tears on prayer mountain  
Jesus said "Faith's tear drops God always hears"

Lord, lift me up, humble I will pray on Prayer Mountain...  
Let healing in Jesus Name, flow through all of me...

My God is triumphant over every fear
