### THE CHORUS:

When I'm singing for the ladies....It's just like a picture show....

Cause it sure brings back the memories....

Of a lady that I know...

When I'm singing for the ladies....it's just like a picture show....

Cause it sure brings back the memories...

Memories I just can't let go.....

### Verse Number One:

This old heart gets lonely....it's a tear drop down inside....

When I think of how I lost you....to lots of money...lots of pride...

I get weighed down with a feeling....I'm not ever gonna see....

Any lady where I'm singing ....with any love again for me....

### THE CHORUS:

When I'm singing for the ladies....It's just like a picture show....

Cause it sure brings back the memories....

Of a lady that I know...

When I'm singing for the ladies....it's just like a picture show....

Cause it sure brings back the memories...

Memories I just can't let go.....

### Turn-A-Round:

### Verse Number Two:

We just had our class reunion....and I saw your dark brown eyes...

Looking over cross the table....this old love has never died....

But it's too late for dreaming....you got married is what I hear...

But I still love you lady....more than he ever will.....

### THE CHORUS:

When I'm singing for the ladies....It's just like a picture  
show....  
Cause it sure brings back the memories....  
Of a lady that I know...  
When I'm singing for the ladies....it's just like a picture  
show....  
Cause it sure brings back the memories...  
Memories I just can't let go.....
