Verse Number One:

When I was but a boy in days of childhood....
I used to play till evening shadows come....
Then winding down an old familiar pathway....
I heard my mother call at set of sun....

The Chorus:

Come home...come home...it's supertime
The shadows lengthen fast.....
Come home...come home...it's supertime
We're goin' home at last.....

Verse Number Two:

One day beside her bedside I was kneeling....
And angel wings were win-no-wing....the air....
She heard the call for Supertime in heaven....
And now I know she's waiting for me there....

The Chorus:

Come home...come home...it's supertime
The shadows lengthen fast.....
Come home...come home...it's supertime
We're goin' home at last.....

Verse Number Three:

In visions now I see her standing yonder....
And her familiar voice I hear once more....
The banquet table's ready up in Heaven....
It' supertime upon the golden shores....

The Chorus:

Come home...come home...it's supertime
The shadows lengthen fast.....
Come home...come home...it's supertime
We're goin' home at last.....

Tag: (spoken over the out)

Mom, it won't be long now...

We'll have supertime together...
