With the keys sissy, classic â€¦ rest in peace from â€¦
Let's take this shit down South North Carolinaâ€¦ heavy

I got a â€¦ brown â€¦ and a fifty seconds drove(?)
I'm sliding in my Chevy brown â€¦ pickin throw
Packing new ports same reporter all go
â€¦ striping â€¦ wheel tipping it slow
Waves of tsunami and my wrists don't froze
Fire burn it down, gators down on my toes
The club shut, I don't give a fuck through
I'm in my hood in like the liquor house never close
At the table with surrounded by all the whose
My Chevy sit here ready whenever they wanna roll
Lang player with the stripping â€¦ like a boat
Shouting better be undressing â€¦
â€¦
You rolling and let me know
Cause my Chevy fits 6 â€¦
Chris I can't ride it with me he role in a â€¦
Bout to take him to the jelly and tell him to touch the toe

I'm right heavy in my Chevy, packets won't go
Different brown liquor and a 50 seconds drove
Do we real big him up â€¦ fall in out of control
I'm from North Carolina hoodie â€¦ you ain't know X2

I got â€¦ with my hustle
I got ten fucking knuckles got â€¦ when I say pup em

Cause maybe â€¦ wicked before I stick it, lick it, hick-up
I liberate ya, big hick-up lift your shit up
â€¦ while in on a thousand dollars
â€¦
â€¦
Now it's time to call up the cavalry
Mister on a mission vision listen into niggers
â€¦ you on probation nigger, what you're facing ?
Hitting for some friction plus affection of E pills
The reaction has a reactionâ€¦
Service don't get nervous â€¦
Lift the coco â€¦

Cause I'm focus
I'm â€¦ like I move south
Bitch I move on when I move out

I'm right heavy in my Chevy, packets won't go
Different brown liquor and a 50 seconds drove
Do we real big him up â€¦ fall in out of control
I'm from North Carolina hoodie â€¦ you ain't know X2

Without this panic hope you loose
Without this office â€¦
Sipping on some dope go to sleep
Twisting up some super noose
â€¦. Stupid booze
Stupid whips and stupid shoes
Is that crack that you hit when you mixing â€¦ Cadillac
in â€¦
Heavy in my Chevy, my melly is so delli
Cause I'm focus plus I'm ready
So that Freddy come some steady
â€¦ like Mario and Freddy
She was blushing when she met me
Her complection is so lessly, I'ma do her if she let me
From the car to the bar drinking triple shots on hour
And the mumble in the stumble and from all attractive
flour
And I'm parting from the club and now we act at the
after hour
With a gallon â€¦ and thisâ€¦bag of â€¦
I'm from New Jersey, S's county finest
We start our night at party and we finish at the dinest
Come to separate the micro jones from â€¦ minus
â€¦ from the garden state down to Carolina, that's right

I'm right heavy in my Chevy, packets won't go
Different brown liquor and a 50 seconds drove
Do we real big him up â€¦ fall in out of control
I'm from North Carolina hoodie â€¦ you ain't know X2
