Shout
(Isley-Isley-Isley)

Well, you know you make me wanna
(Shout) Throw my hand up
(Shout) Kick my heels back
(Shout) Throw my head back
(Shout) Come on now (Shout)
Don't forget to say you will
(Shout, Shout) Don't forget to say
(Shout) Yeah yeah yeah yeah, come on
(Say you will) Say it right now, baby
(Say you will) Come on, come on
(Say you will) Say it right now, baby
(Say you will)

I still remember
When you used to be nine years old yeah, yeah
An' now that you're grown up
You're old enough to know
An' you wanna leave me
You wanna let me go

I want you to know
I said I want you to know right now
You've been good to me, baby
Better than I've been to myself
And if you ever leave me
I don't want nobody else
I said I want you to know
I said I want you to know right no

You know you make me wanna
(Shout) Kick my shoes off
(Shout) Throw my hands up
(Shout) Take my pants off
(Shout) Come on now
(Shout) Don't forget to say you will
(Shout, Shout) Don't forget to say
(Shout) Yeah yeah yeah yeah, come on
(Say you will) Say it right now, baby
(Say you will)

(Say) Say that you love me
(Say) Say that you need me
(Say) Say that you want me
(Say) Don't ever leave me
(Shout) Come on now
(Shout) Come on now
(Shout) Come on now
(Shout) Come on now

(Shout) A little bit softer now

(Shout) A little bit louder now

Hey (Hey) Hey (Hey)
Yeah (Yeah) Yeah (Yeah)
Shout now
A little shout now
Jump up and shout now
A little shout now
Come on (Shout now)
Come on now (Shout now)
Come on now (Shout now)
Come on now (Shout now)
Come on jump up and shout now
A little shout now
Jump up and shout now
A little shout now
Jump up and shout now
A little shout now
Jump up and shout now
A little shout now, yeah
