

Stealing O'neal "Hometown"

My hometown's being circled by and by
Excuses will only wear me down
The tension's tied tight stealing all the air
Which back will break first
Back will break first
We wont lay down
We wont lay down
Tonight

This one goes out to everybody's ears
Let's tame my doubt
We won't take for granted
The fact that we believe
And we can't be beat

My hometown's dreaming
Everything it makes senseÂ
But everybody's leaving
The tension's tied tight stealing all the air
Which back will break first
Back will break first

This one goes out to everybody's ears
Let's tame my doubt
We won't take for granted
The fact that we believe
And we can't be beat
I'm locked away (I'm locked away)
And if you catch my drift would you let me out
I'm locked away (I'm locked away)
I'm locked away (I'm locked away)
And if you catch my drift would you let me out

This one goes out to everybody's ears
Let's tame my doubt
We won't take for granted
The fact that we believe
And we can't be beat

This one goes out to everybody's ears
Let's tame my doubt
We won't take for granted

The fact that we believe
And we can't be beat

We wont lay down
We wont lay down
We wont lay down
Tonight

We wont lay down
We wont lay down
We wont lay down
Tonight
