### "Feels Like We Only Go Backwards"

It feels like I only go backwards baby,  
Every part of me says "go ahead".  
But I got my hopes up again, oh no, not again.  
Feels like we only go backwards darling.

I know that you think you sound  
silly when you call my name  
But I hear it inside my head all day.  
When I realise I'm just holding onto  
the hope that maybe  
your feelings don't show...

It feels like I only go backwards baby,  
Every part of me says go ahead.  
Then I got my hopes up again, oh no, not again.  
Feels like we only go backwards darling.

The seed of all this indecision isn't me, oh no,  
'Cause I decided long ago.  
But that's the way it seems to go when trying  
so hard to get to something real,  
It feels...

It feels like I only go backwards baby,  
Every part of me says "go ahead".  
But I got my hopes up again, oh no, not again.  
Feels like we only go backwards darling.
