But don't remind me of home,
there's everywhere I'd rather
go. It's true that some things
have to change.

And don't remind me of home,
or I might notice where I am.
It's true that some things
have to change.

I know some things have
to change.

And gazing out the window,
as I ascend into the sky,
but I'm the one who's
left behind.

There is nothing that is safe.
I know some things have
to change.

Yeah, I do.

But don't remind me of home,
incase it isn't quite the same.
