Out of the sun, trying to see,
I'm so alone, nothing for me,
I guess I'll go home, try to be safe,
Try to pretend, I thought it would happen,
Oh sultry, lonely ol' me, whoops a daisy,
I thought I was happy, oh

Out of the sun, now that I see,
I don't need them and they don't need me,
I guess I'll go home, try to be safe,
Try to pretend, none of it happened,
There's meant to be, lonely ol' me, whoops a daisy,
I thought I was happy

Ahhh, why won't they talk to me,
Thought I was happy x 5

I don't really care about it anyway,
I wouldn't listen to word any others say,
They just talk about themselves all the way,
I may not be a star down beside them

Ahhh, why won't they talk to me,
Thought I was happy x 5
