[Ludacris]two shot and one drink ..they just be
disturbing a piece
that's what the neighbors say
my girlfriend left me, i say life living for
hit me with that seven eleven or that tina foe
get lucky maybe send me down ..
at least put me in the place to kick it to a b*tch too
this real life not american idol couldn't come with a
name
so i just call it untitled .

[Untitled]i worked so hard and give you everything i
have
you broke my heart and let me stuck here all alone
and i can't believe what you did to me
after all i've done for you
but it's .. now .. let's go, only one thing left to do
i guess i gotta

[Chorus]put out a lil liquor, put out a lil liquor
put out a lil liquor for love.
i guess i gotta ut out a lil liquor
put out a lil liquor, put out a lil liquor
put out a lil liquor for love.
yeah, ..keep moving i'ma ..gotta keep moving

put out a lil liquor, put out a lil liquor
put out a lil liquor for love.

uhh sometimes it seems it's all a bad dream
and i just wish..
i don't have clue, what i'm gonna do,
i ain't gonna make it but i'll try
i'm gonna ..tonight ..pop bottle ..
