Shawty beggin' for attention,  
no need for that love  
Your ass is fire, fire

Hey, girl you're making my day,  
Walk so mean like you're on a runaway,  
Body like a bottle, got a nigga like wow,  
Tonight it's no limits how far can you go  
Wanna see you limbo time to take it real low,  
Rocking like an amateur, you do it like a pro  
Yeah girl, keep blowing my mind  
Remind me of a snake by the way you love to wind

You ass is on fire  
Got me sweating like a fiend, tryna get you out them  
jeans  
Girl, my only desire  
Can't explain my emotions, but my lil got you holding  
Got me like Uh na na na, Me so horny  
Shake it like a quake and put that thing on me  
Can't stop, wont stop, She down for me  
I ain't tryna be your man, I just need one night only

Shawty beggin' for attention,  
no need for that love  
Your ass is fire, fire  
I'm tryna get you out this damn club, yeah.  
I'm on that, stupid dumb fly shit  
I'm on that, stupid dumb fly shit  
I'm on that, stupid dumb fly shit

Shawty look delicious,  
Her body leave a nigga speechless  
Claim she good for my nutrition  
Bout down to the T, no lip..  
Body like a man-do, topless thatâ€™s how I like you  
Pushing to the limits,  
Iâ€™m whippin round your curves with No brakes,  
boom!  
Keep shaking that boom boom,  
Whatâ€™ cha waga boom boom.  
Keep shaking that boom boom,  
Itâ€™s hypnotizing!

Got me like Uh na na na, Me so horny  
Shake it like a quake and put that thing on me  
Canâ€™t stop, wont stop, She down for me  
I ainâ€™t tryna be your man, I just need one night only

(Ludacris:)

Luda! Ha. Now, itâ€™s a real playerâ€™s turn,  
Donâ€™t understand me, let me put it in laymenâ€™s  
terms  
Baby, I want you as my new chick  
Lose my old girl like abracadabra poof bitch.  
That body too thick waist like a toothpick,  
And I just wanna hit it on cue like a pool stick  
You can try me on like some new kicks  
Mr. big foot, you should wear it if the shoe fits  
chick named Ruth but damnit I buy that roofless  
Looking like a steak, call her Ludacrisâ€™s Ruth Chris  
Up my Gucci sleeve got a few tricks  
Old .45 on the passenger of my new 6  
Hold up! Let me take two sips  
low but my cup is sitting up like some new tits  
And Iâ€™m ready to spend a few chips  
But to haul all that ass takes two trips, damn.

Shawty begginâ€™ for attention,  
no need for that love  
Your ass is fire, fire  
Iâ€™m tryna get you out this damn club, yeah.  
Iâ€™m on that, stupid dumb fly shit

lâ€™ m on that, stupid dumb fly shit  
lâ€™ m on that, stupid dumb fly shit  
lâ€™ m on that, stupid dumb fly shit
