I don't even really gotta dance  
Got my back on the wall when she grinds on me(2x)  
I didn't even think I had a chance  
Till she came and put her ass on me  
She's moving like romance  
And I'm jus standing in my stance

For the weekend we can go to the party  
She be dancing up on me  
Yes, I feeling love in her body  
So wont u come up on me  
U really dancing like a freak  
So tell me wut it be cuz u r wit me

Baby girl ur so fine u should whine up  
Back, back, back it up, back it up whine up  
Hot, hot, hot keep moving moving moving whine up  
Her booty moving moving

I don't even really gotta dance  
Got my back on the wall when she grinds on me(2x)  
I didn't even think I had a chance  
Till she came and put her ass on me  
She's moving like romance  
And I'm jus standing in my stance

That lady's so fine  
Never wouldve thought that she would become mine  
The way u put it on me baby I don't mind  
Now u gon back it up like a tape of rewind  
She bend over  
When I hold her  
And even thought ur sober  
I have control of u

I don't even really gotta dance  
Got my back on the wall when she grinds on me(2x)  
I didn't even think I had a chance  
Till she came and put her ass on me  
She's moving like romance  
And I'm jus standing in my stance

She's dancing all up on me  
She wants to get down wit me  
She moving side to side  
Wit both hands down her thighs  
She's droppin' it real low  
She wants me to go low  
But I know that I don't really have to dance

I don't even really gotta dance  
Got my back on the wall when she grinds on me(2x)  
I didn't even think I had a chance  
Till she came and put her ass on me  
She's moving like romance  
And I'm jus standing in my stance

Baby girl ur so fine u should whine up  
Back, back, back it up, back it up whine up  
Hot, hot, hot keep moving moving moving whine up  
Her booty moving moving

I don't even really gotta dance  
Got my back on the wall when she grinds on me(2x)  
I didn't even think I had a chance  
Till she came and put her ass on me  
She's moving like romance  
And I'm jus standing in my stance
