[Verse 1:]

Just yesterday you was a stranger I really didn't know
you
I remember when I seen you by her side, with snow
outside
To no suprise, I fell in love with your eyes
Do you remember baby sitting up in the kitchen
I told myself I should have told you
But didn't, know I'm slippin, now I'm missing you

[Chorus: Nawlage]

I been in love since the day I met you baby
Watcha wanna dooooo

I know exactly what I need
I'm in love with you, you
You mean the world to me
You're my everything baby
You're my everything
Yeah yeah

[Spoken: Nawlage]

I mean I don't even know what else to say
If you don't believe me then I don't know. Oye Willy, talk
to her.
