

Nawlage "Take Your Breath"

Visit "[Take Your Breath](#)" on MotoLyrics.com

Baby hold on tight
Baby don't let go
I wanna be the man
That you call your boo
Every day and night
By your side I'll stay
I wanna kiss your lips
And take your breath away

You already know I'm down to rock baby,
You already know your on my mind baby,
And if you really wanna be with me
Than you should let me know
Cause I really wanna be with you!
Cause I really want you girl
We're steady cause I want you baby
I'm not trying to let you go
You are the reason why my mind been going crazy
Feeling like I found my call
The feeling was cool 'till you found my soul
Thats right, I Want Ya, I Want Ya, Babe I Want Ya, Babe
Babe I Want Ya BooBoo.

Baby hold on tight
Baby don't let go
I wanna be the man
That you call your boo
Every day and night
By your side I'll stay
I wanna kiss your lips
And take your breath away

When you turned around
Yes I grabbed your hand
Want you to listen to me
Cause I wanna be your man
Apart of your life
Thats what I wanna be
Come on and be my girlfriend
Cause I wanna be your man
I wanna dance with you
And put my arms around you

I wanna dance with you
And put my arms around you
Girl you let me know,
If I'm getting closer
Girl you let me know,
If I'm getting closer

Baby hold on tight
Baby dont let go
I wanna be the man
That you call your boo
Every day and night
By your side I'll stay
I wanna kiss your lips
And take your breath away

So girl you let me know,
If I'm getting closer
So girl you let me know,
If I'm getting closer

Baby hold on tight
Baby don't let go
I wanna be the man
That you call your boo
Every day and night
By your side I'll stay
I wanna kiss your lips
And take your breath away

So girl you let me know,
If I'm getting closer
So girl you let me know,
If I'm getting closer

Baby hold on tight
Baby don't let go
I wanna be the man
That you call your boo
Every day and night
By your side I'll stay
I wanna kiss your lips
And take your breath away
