Look I don't even wanna think about you
Not one thing is promising with that dude
Why you gotta leave with him for
If you get played I believe that info
I'm so real let me talk to you
Cuz I know exactly how you feel when he talk to you
I know you heard the inside
That's my word to preserve the inside

Too many times
He crossed the line
To dumb to ever finish what he started
Hows it feel he plays off you
While your just sitting waiting broken hearted
It's time to stand
Up to your man
He's never been surrounded by a letter
He had his fun
But now your done
Your moving on cuz you can do much better

WHY
Do u think u love him if he only makes u cry
He don't care about u
U can see it in his eyes
If u choose to leave then do u think that u would die
Who can figure why
Wont u tell me

WHY
Do u think u love him if he only makes u cry
He don't care about u
U can see it in his eyes
If u chose to leave then do u think that u would die
Who can figure why
Wont u tell me y

You say he'll try to be the guy
That u deserve
Don't trust him cuz he's stalling
He said before but stil ignore
And u know every number he's been calling

He tells u lies
To ur surprise
How u can be so blinded
It's just not funny
U had ur fight
If u decide
For stories u will no longer be fallin

Why
Do u think u love him if he only makes u cry
He don't care about u
U can see it in his eyes
If u choose to leave then do u think that u would die
Who can figure why
Wont u tell me

WHY
Do u think u love him if he only makes u cry
He don't care about u
U can see it in his eyes
If u choose to leave then do u think that u would die
Who can figure why
Wont u tell me

So many others in ur shoes(have felt ur pain)
No need to suffer this abuse(upon ur brain)
Wont ever stop till u refuse(to wait in vane)
Well I could do better than you
UR FREE AGAIN

WHY
Do u think u love him if he only makes u cry
He don't care about u
U can see it in his eyes
If u choose to leave then do u think that u would die
Who can figure why
Wont u tell me

WHY
Do u think u love him if he only makes u cry
He don't care about u
U can see it in his eyes
If u choose to leave then do u think that u would die
Who can figure why
Wont u tell me
