I remember when you lost your head
Sometimes I wonder how you stay so sad when you're
so beautiful
And I remember every word you said
How you were scared because you never been
somewhere so beautiful, so beautiful

So tell me why we're talking when we dance so good
So tell me why we're talking when we dance so good
And I know you can't stay but I wish you would
Yeah I wish you would, I wish you would

So now you tell me that you're on the mend
Sometimes I wonder how you don't go mad when
you're so beautiful, so beautiful, so beautiful, so
beautiful

So tell me why we're talking when we dance so good
So tell me why we're talking when we dance so good

And you know you can't stay but I wish you would
Yeah I wish you would, yeah I wish you would

Remember when you lost your head
Sometimes I wonder how you stay so sad when you're
so beautiful
You're so beautiful, so beautiful, so beautiful
So BEAUTIFUL, So BEAUTIFUL

So tell me why we're talking when we dance so good
Yeah tell me why we're talking when we dance so good
And I know you can't stay but I wish you would
Yeah I wish you would, yeah I wish you would
