It's been long enough that I can think of you
It's been long enough that I can speak to
you
But I don't really think that you want to
anymore
And I could've done much better for you
Yeah I could've done much better for you
But you could've done much better for me
I'm sure

What if we got it all wrong, and what if we got it all
wrong
What if we got it all, what if we got it all wrong
What if we got it all wrong, and what if we got it all
wrong
What if we got it all, what if we got it all wrong

So we tried our best but it wasn't enough
And yeah we tried so hard that we f***ed it up
And I understand, yeah I understand your love
And it's gotta be hard, what
you're going through
And I get what you say but it's what we do
Got to see her and I guess what's done is
done

What if we got it all wrong, and what if we got it all
wrong
What if we got it all, what if we got it all wrong
What if we got it all wrong, and what if we got it all
wrong
What if we got it all, what if we got it all wrong

The days are short and the nights are long
And it's all f***ed up but we carry on
Cause there's little else and
there's nothing left to do
And I could've done much better for you
Yeah I could've done much better for you
But you could've done much better for me
too

What if we got it all wrong, and what if we got it all
wrong
What if we got it all, what if we got it all wrong
What if we got it all wrong, and what if we got it all
wrong
What if we got it all, what if we got it all wrong
