Oh I want you more,  
Than anyone ever wanted anyone before

And if I ever turned away,  
Only was I trying to find out the words to say,  
All my life where I can't take you on my own

I need a little room to sway,  
You hold me anyway,  
All my life where I can't take you on my own

I always told you I'd be here,  
I am what you are and not but me,  
So hold me closer and don't ever let me go (don't let  
me go)

I need a little room to sway,  
You hold me anyway,  
All my life where I can't take you on my own.

I always told you I'd be here,  
I am what you are and not but me,  
So hold me closer and don't ever let me go
