Out on the back porch
You say tonight,
We bring our pocket, our pocket knives
You wanna fight me, you want to fight
Forgotten sense of me
Say ah, say ah.

And in the backyard
Into the night,
We walk through fire
My love is your flashlight.
They wanna fight me, they want to fight
Forgotten sense of me
Say ah, say ah, oh...

Walk through the fire,
Walk till it gets dark
There is no hiding
To save your life.

You've got to try
Say you're me now,
Set your arms down.

Say ah, say ah
Say ah, say ah
Say ah, say ah.
