I bring the light  
You get to see  
You bring the love  
It's ecstasy

I see no point  
In what you're thinking  
I'm going out  
I'm taking you drinking

I get the car  
You're getting up  
I'm standing tall  
Well, fucking tough

It's just your way  
You hear me wrong  
I hear you say  
You're getting up, getting up

Baby, hold on  
Baby, come on  
Baby, come on  
You're getting up, getting up

Baby, hold on  
Baby, come on  
Baby, come on  
You're getting up, getting up

I bring the light  
You get to see  
You bring the love  
It's ecstasy

I see no point  
In what you're thinking  
I'm going out  
I'm taking you drinking

I'm coming in  
You're coming out

I'm coming up  
You're coming down

It's just your way  
You do me wrong  
I hear you say  
You're getting up, getting up

Baby, hold on  
Baby, come out  
Baby, come out  
You're getting up, getting up

Baby, hold on  
Baby, come on  
Baby, come on  
You're getting up, getting up

Baby, come on  
Baby, come on  
Baby, come on  
Baby, come on  
Come on, come on

Come on, come on  
Come on, come on  
Come on, come on  
Come on, come on

Come on, come on  
Come on, come on  
Come on, come on  
Come on, come on

Well baby, come on  
Well baby, come on  
Well baby, come on  
Well baby, come on

Well baby, come on  
Come on, come on  
Come on, come on  
Come on, come on  
Come on, come on

Come on, come on  
Come on, come on  
Come on, come on

Well baby, come on  
Well baby, come on

Well baby, come on
