You'll never know, unless you try
You're blinded by what
You idolise

I stand alone
Nobody knows
The morning son has rose

He's in my mind
He's in my soul
He's even in my
Rock and roll

I stand alone
Nobody knows
The morning son has rose

I'm here to show
I help you out
It takes a lot of time
I've worked it out

I stand alone
Nobody knows
The morning son has rose
The morning son has rose

The morning son has rose
The morning son has rose

So let it be
And given time
You go your way
And I'll go mine

I stand alone
Nobody knows
The morning son has rose

We'll never know
Unless we try
We're blinded by what

We idolize

We stand alone
Nobody knows
The morning son has rose

The morning son has rose [repeat]
