Cat's eye, apple pie, what am I going to do?
The woman I loved walked out on me
What am I going to do?

Hound dog, bull frog, she just up and gone
The woman I love has done me wrong
What am I going to do?

Green beans, black-eyed peas
What am I going to do?
The woman I love has let me down
What am I going to do?

She's a delta queen know what I mean
As mean as wildfire lightnin'
She can win and break the heart of any man

She's the delta queen of New Orleans
And she loved me somethin' frightnin'
But she left me for a dollar wavin' man

Cat's eye, apple pie, what am I going to do?
The woman I loved walked out on me
What am I going to do?

Hound dog, bull frog, she just up and gone
The woman I love has done me wrong
What am I going to do?

She's a delta queen know what I mean
As mean as wildfire lightnin'
She can win and break the heart of any man

She's the delta queen of New Orleans
And she loved me somethin' frightnin'
But she left me for a dollar wavin' man

She's a delta queen know what I mean
As mean as wildfire lightnin'
She can win and break the heart of any man

She's the delta queen of New Orleans

And she loved me somethin' frightnin'
But she left me for a dollar wavin' man
She's the delta queen of New Orleans
