If you want to go out  
You've got to take her out, cocaine  
And if you want to get down  
Down on the ground, cocaine  
She don't lie  
She don't lie  
She don't lie, cocaine

Well if you've had bad news  
You want to kick your blues, cocaine  
And if your day is done  
But you just got to run on, cocaine  
She don't lie  
She don't lie  
She don't lie, cocaine

Feeling is gone but you just  
Got to ride on, cocaine  
But don't forget this fact  
You just can't get it back, cocaine

She don't lie  
She don't lie  
She don't lie, cocaine

She don't lie  
She don't lie  
She don't lie, cocaine
