Hello, feelin' happy, got peace of mind
Hello, kimosabe, won't you be so kind
Tell all the fake facts jack, dirt 'n' all
How long'd it take you mac, t'get the skirt to fall?

Hello, Mr. backstreet president
Hello, how's it hangin', still shakin' her tent?
Don't it hurt, what she's sayin' 'bout you to your back?
Don't it bother you at all?

You know you crack me up
You really, really crack me up

Well, hello, it's a real bad line, just want the
Love of a good, good woman sometime
Sold to the man who has everything
Gold-caged Madonna, sing mama, sing

Come on, get close, I forget how near
Move along now, There's nothin' to see round here
Can you care about me, like I care about me?
Don't it bother you at all?

You know you crack me up
You really, really crack me up
You crack me up
Crack me up

Crack me up, crack me up

Hello, happy, feelin' happy, got peace of mind
Hello, kimosabe, won't you be so kind
Tell all the fake facts jack, dirt 'n' all
How long'd it take you mac, t'get the skirt to fall?

Come on, get close, I forget how near
Move along now, there's nothin' to see round here
Can you care about me, like I care about me?
Don't it bother you at all?

You know you crack me up
Really, really crack me up

You crack me up
Really, really, really, really, really, really crack me up
You know you crack me up
You crack me, crack me up
