It's true  
That there was support for you  
When you said that you would do  
All the things you are supposed to do

So why  
Kiss your promises goodbye  
Now you're sitting there on high

Tell me who  
Said it was alright for you  
To stick your nose into  
Anything you want to

Then fake  
it's a genuine mistake  
When we catch you on the make  
Big government  
Look at these clowns  
Screwing around  
Big Government  
Dragging us down  
I don't wanna drown

Somebody get me a lifeboat  
Because you're not getting my vote  
Somebody get me a life coach  
Cos you're not goin' in my file  
Someone get me a lifeboat  
No, you're not getting my vote

J-J-J-Jobs for the boys  
Transparency  
Apologies  
Austerity  
But you don't fool me, no

Big Government  
Making up the rules  
Treat us like fools  
Big government

Making us pay  
I don't wanna to stay

Somebody get me a lifeboat  
Because you're not getting my vote  
Somebody get me a life coach  
Cos you're starting to encroach  
Got to get me a lifestyle  
Cos you're not goin' in my file  
Someone get me a lifeboat  
No, you're not getting my vote  
Somebody get me a life
