Here I am, sitting on my porch  
Thinkin' my life has got to be beyond reproach  
Have I forgot some friends so close to me  
Real ones that don't use me

And does my woman love me now  
Like she loved me then?

Here I am, my defenses are down  
Will she remember me when I'm not around?  
Will she still dream by me?  
Or will she find a new life?

Will I ever get used  
To being alone at night?

I'll never know  
But would it do me any good if I did?  
Life is a strange brew  
Maybe we should not lift the lid  
Lift the lid

I'll never know  
But would it do me any good if I did?  
Life is a strange brew  
Maybe we should not lift the lid  
Lift the lid
