Since you came into my life
It's the same old situation
Empty days and lonely nights
Filled with bitterness and frustration.

Walking lonely in the cold
Tryin' to find the answer
Spend my money on a crystal ball
And the charms of a gypsy dancer.
Tryin' to break the spell you hold on me

Chorus:
You're miss misery
That's all that you'll ever be
Set me free, set me free
Please, please, please

Everyday is filled with shame
My nights are filled with anger
Hollow lies, forced denial
If you told the truth I can't remember.

You know I've got to find my way
Got to find a reason
Got to find your weakness

So I can end your witchin season.
Got to break the spell you hold on me

Chorus:
You're miss misery
That's all that you'll ever be
Set me free, set me free
Please, please, please

Lead:
Can't think how I got myself
Caught up in this nightmare
Evil schemes, midnight screams
Come on somebody listen to my prayer

I'd give all I've got to give

Just to find a way out
Can't hold on, but I can't let go
I'm trapped on this crazy round about
Tryin' to break the spell you hold on me

Chorus:
You're miss misery
That's all that you'll ever be
Set me free, set me free
Please, please, please
