When you're on the run  
Lookin' for a friend you can depend on  
Your phone it never rung for days that  
When you're on the run  
Lookin' for a friend you can depend on  
Your phone it never rung for days that  
When you're on the run

When you're on the run used  
Used to make a stand  
Right up until the day that you were wanted  
Then you had to move  
'cause you were hunted  
Anywhere you hide  
Tough to find a place to lay your head down

Your phone it never rung for days that  
When your on the run  
When you're on the run

You better keep lookin' behind you  
When you're on the run  
When you're on the run

Look out for the lies they're comin' down the line

Love upon the wire you gotta find out

You're phone it never rung
