Is there a place in your heart left for me?
Is there some space where the parkin sign says free?
Maybe theres just one little spot
Maybe some corner that you forgot
Is there a place in your left for me?

Well I know you got so many you can choose from
Theres always flowers lyin by your door
I betcha your phone it never stops
Bet youre the queen at the local hops
I bet you get valentines but never keep the score.

Is there a place in your heart left for me?
Is there some space where the parkin sign says free?
Maybe theres just one little spot
Maybe some corner that you forgot
Is there a space in your heart left for me?

I betcha your phone it never stops
I know your the queen at the local hops
I bet you get valentines but never keep the score

Is there a place in your heart left for me?
Is there some space where the parkin sign says free
Maybe theres just one little spot
Maybe some corner that you forgot
Is there a place in your heart made for me?

Is there a place in your heart made for me?
Is there a place in your heart made for me?
