Songs that take you back  
Songs that make you think  
Songs that turned your life around  
That pulled you from the brink

Songs that free your mind  
Or make you want to rage  
That get you so emotional  
Songs that never age

And lately I've been thinking  
About the music in my past  
Was it really all the long ago?  
Gonna dial into the airwaves  
Gotta make the moment last  
It wasn't really all that long ago

Tonight  
It's just me and my radio  
A DJ for company  
It's just how it used to be  
Tonight  
I've been listening to old friends  
Did I realize how easy it was back then  
When all of my time was free

Songs that speak to you  
Songs that spread the world  
Songs that you forgot about  
And songs that changed the world

And lately I've been thinking  
About the music in my past  
Was it really all the long ago?  
Gonna dial into the airwaves  
Gotta make the moment last  
It wasn't really all that long ago

Gotta make it last  
Gotta make it last  
Bring it on

Sing a song

Tonight

A DJ for company

It's just how it used to be

Tonight

I've been listening to old friends

Did I realize how easy it was back then

When all of my time was free

When all of my time was free...
