"Stand by Your Beds"

I'm gonna keep it in the family
Gotta straighten my face
Wanna keep it in the family
Savin' my disgrace

Like a tick-a time bomb inside a'me
Been to the mount, seen the other side
Money back, number one, guaranteed
Sole satisfied

Gimme, gimme, gimme it all
Gimme, gimme, gimme it all

Everybody celebrate, stand by your beds
By your beds
Easy access, easy led, stand by your beds
By your beds

You know it's nothin' new, I'm tellin' you
It's always been around
It's the home made milkshake
Apple pies 'n' lemonade
Never turned down

Gimme, gimme, gimme it all
Gimme, gimme, gimme it all

Everybody celebrate, stand by your beds
By your beds
Easy access, easy led, stand by your beds
By your beds

Gimme, gimme, gimme it all
Gimme, gimme, gimme it all

Everybody celebrate, stand by your beds
By your beds
Easy access, easy led, stand by your beds
By your beds

Everybody celebrate, stand by your beds
By your beds

Easy access, easy led, stand by your beds
By your beds

Everybody celebrate, stand by your beds
By your beds
Easy access, easy led, stand by your beds
By your beds

Everybody celebrate, stand by your beds
