Sunshine, every single day  
Helps to light the way  
And darlin', right before my eyes  
It don't come as no surprise  
That it's easy, easy loving you

And baby, 'til you came along  
There was always somethin' wrong  
Around me  
There was emptiness of course but it's alright  
And it's easy, easy loving you

And sunshine, havin' you around  
You're the light I never found  
And darlin', every minute you're away  
But it's brighter  
And it's easy, easy loving you

Sunshine, every single day  
Helps to light my way  
And darlin', right before my eyes  
It don't come as no surprise  
That it's easy, easy loving you
