Driftin' in the streetlight  
Dancin' in the twilight zone  
Dreamin' of a spotlight  
Don't wanna go back home

Joe and his buddies are hangin' around

Bad reputation all over the town  
All they ever gonna do  
Is talk, talk, talk, talk

Lucy and debbie and donna and joyce  
Bad reputation the same as the boys  
All they ever wanna do  
Is walk, walk, walk, walk

Standin' on the sidewalk  
Starin' at the storefront signs  
Waitin' at the bus stop, truck stop  
The hurry up and wait stop  
They don't mind

Tony and billy and johnny and sam  
Struttin' and showin' they don't give a damn  
All they ever gonna do  
Is talk, talk, talk, talk

Cindy and sunny and sally and sue  
Thinkin' they're somethin', they're better than you  
All they ever wanna do  
Is walk, walk, walk, walk

They're lookin' forward and movin' backwards fast  
They gotta have a future  
'cos sure as hell ain't got no past  
But in the meantime

They're lookin' forward and movin' backwards fast  
They gotta have a future  
'cos sure as hell they got no past

They always have a good time

They never get a wake up call  
They're hangin' out at maisies and daisies  
They always love the crazies  
That ain't all

Tony and billy and johnny and sam  
Struttin' and showin' they don't give a damn  
But all they ever gonna do  
Is talk, talk, talk, talk

Cindy and sunny and sally and sue  
Thinkin' they're somethin', they're better than you  
All they ever wanna do  
Is walk, walk, walk, walk
