If you enjoyed yourself tonight  
A half as much as we did  
Then we enjoyed ourselves twice as much  
You gotta know we loved the show  
And how we have been treated  
And comin' back here is a must

But now... we're all pretty drunk

It was well worth waiting  
For the meal they've been creating  
I can see why it took hours and hours  
The drinkin's been outrageous  
We love when you play one of ours

I love my fridge magnet  
My Medal is fantastic  
My flowers and my coffee cup  
But now we're all kinda drunk  
The camera phones are at the ready  
You better take that picture twice  
I need something to cool my bevvy

Slainte mhath  
Slainte mhath

Thank you for the kind words  
And thank you for the speeches  
It really did mean something to me  
the big glass rifle  
Full of vodka is delightful  
And thank you for the picture of me

I know you really wish  
That Jimmy'd try the fish  
it's a pity he's already messed up

Besides... we're all pretty drunk  
The mayor is here but he's off his face  
The dignitaries are getting pissed  
He loves 'Love Hurts' and he owns the place

It doesn't get any better than this

Slainte mhath

Slainte mhath

I wanna make a toast

Yeah I gotta make a toast

I wanna make a toast

Yeah I gotta make a toast

I've gotta make a toast

I gotta make a toast
