No more talk of darkness
Forget these wide-eyed fears
I'm here, nothing can harm you
My words will warm and calm you

Let me be your freedom
Let daylight dry your tears
I'm here with you, beside you
To guard you and to guide you

Say you'll love me
Every waking moment
Turn my head
With talk of summertime

Say you need me
With you, now and always
Promise me that all you say is true
That's all I ask of you

Let me be your shelter
Let me be your light
You're safe, no one will find you
Your fears are far behind you

All I want is freedom
A world with no more night
And you always beside me
To hold me and to hide me

Then, say you'll share with me
One life, one lifetime
Let me lead you
From your solitude

Say you need me
With you here beside you
Anywhere you go let me go too
Love me, that's all I ask of you

Stay each day with me
Each night, each morning

Say you love me, you know I do
Love me, that's all I ask of you
