"Walking In The Air"

Weâ€™re walking in the air
Weâ€™re floating in the moonlit sky
The people far below are sleeping as we fly

Iâ€™m holding very tight
Iâ€™m riding in the midnight blue
Iâ€™m finding I can fly so high above with you

Far across the world
The villages go by like dreams
The rivers and the hills
The forests and the streams

Children gaze open mouth
Taken by surprise
Nobody down below believes their eyes

Weâ€™re surfing in the air
Weâ€™re swimming in the frozen sky
Weâ€™re drifting over icy mountains floating by

Suddenly swooping low on an ocean deep
Rousing up a mighty monster from his sleep

Weâ€™re walking in the air
Weâ€™re Dancing in the midnight sky
And everyone who sees us greets us as we fly
