Yeah, count to five
And I will start my car for a ride
Yeah, a hundred miles
And I will be at speed satisfied

Yeah, I'll miss my life
Behind my driving wheel once it's fine
Yeah, action time
One only can obtain with it's style

Yeah, I'll miss my life
Behind my driving wheel once it's fine
Yeah, action time
One only can obtain with it's style

Yeah, it's a good time
Time now will be mine, yeah
Yeah, but with time I
Gotta speed in my life, yeah

Yeah, yeah, yeah
Go, go, go, go
Go, go, go, go
